Total No. of subjects: 16

MIT (Extended) – MBA
JCU Degree Code: 50504A
Standard Duration: 30 months
Fast Track Option: 20 months
Total No. of Subjects: 20

OVERVIEW
The MIT-MBA provides IT/CS/CA graduates with training in a variety of computer and business skills, and includes industry standard Cisco and Oracle technologies. The MIT(EXT)-MBA provides a pathway for non-computer science / information technology graduates.

PROFESSIONAL RECOGNITION
Graduates can normally join the Australian Computer Society. Also includes preparation for Cisco and Oracle industry certification. This provides practical skills for rapid entry into rewarding careers in the IT industry.

CORE IT SUBJECTS
CP5046 ICT Project 1: Analysis & Design
CP5047 ICT Project 2: Implementation
CP5220 On-line Multimedia Design
CP5231 Internetworking Principles
CP5310 E-Business Technologies

INTERNSHIP OPTION
In the final trimester, high performing students, subject to meeting performance criteria, may choose to take up an Industry Internship as an alternative to a classroom based subject.

- Integrates theory and practice.
- Enhances professional soft skills, as expected at postgraduate level
- Develops abilities to investigate, analyse, evaluate and provide recommendations
- Career-related experience informs career choice

ENGLISH LANGUAGE ENTRY REQUIREMENTS
You must provide evidence of English proficiency if English is not your first language.

- IELTS: A minimum overall score of 6.0, with a minimum score of at least 5.5 in each component

ACADEMIC ENTRY QUALIFICATIONS
An undergraduate degree in any discipline or other qualifications deemed equivalent; or evidence of professional experience that meets the approval of the Head of School or Faculty. Where IT background is inadequate (does not include multimedia, database, “C”, “C++” or JAVA), additional undergraduate subjects may have to be taken and the Extended program may be required.

ADVANCED STANDING CREDIT
JCU recognises advanced standing credit for equivalent studies at an equivalent level from Australian or overseas universities. The credit is determined after receipt of application.

Subjects successfully completed for the Graduate Certificate and Graduate Diploma of Information Technology can be credited towards the MIT-MBA or MIT (Ext) – MBA.
