“Having only just started my degree, I was looking for an Australian experience and hoping to apply some theory in the workplace. Joblinx contacted the General Manager of Spicers Hotel.

A week later, I was on board, welcomed by all Spicers staff as part of their team, already being told this is just the start of great career opportunities at Spicers!”

Internships

Jumpstart your career by gaining professional experience in Australia.

BU3101: Professional Internship is an innovative subject that enables you to apply theory in the workplace and gain practical skills to enhance graduate employment, equipping you with a competitive edge.

Your professional internship will be organised through the university partner Joblinx, at no additional expense. All the work is done for you. To ensure you gain the most from your international internship our trained career consultants will interview you to ensure the Internship placement is in line with your university studies as well as your career objectives.

*Fees listed is Special Pricing for the entire Program. Not including SSAF or resources. Academic and English Eligibility Criteria Applies. Applications must be supplied with supporting documentary evidence (testamur and official transcripts) being in accord with the official MINISTRE DE L'ENSEIGNMENT SUPERIEUR, DE LA RECHERCHE ET DE L'INNOVATION program requirement. Check Terms and Conditions for full details.
 # Conditions apply. Check Student One website for more details.
